SHELBURNE LIBRARY

The library was open two afternoons every week and two evenings a month, throughout the year. A total of 1,043 books and magazines were loaned to 23 adults and 42 children. The book stock of 2432 volumes was increased by the addition of 73 adult and 92 juvenile volumes. We borrowed 1,245 books from the Bookmobile and 61 from the State Library.

The books purchased included additions to the New Hampshire collection, nature guides, and both fiction and non-fiction of particular use to the students. The library received a number of gifts for which the committee expresses its appreciation. Among these are 9 gift subscriptions to magazines and back issues of 11 magazines. A 4-year back file is being kept of some of these for student use and the others are available for clipping after the current year. A picture file is being maintained under 3 headings—Christmas, Masterpieces of Art, and Science.

The library has given away pamphlets on various subjects for student projects and has answered a number of reference questions for students, tourists, and on business matters. The latter were answered by telephone from the State Library in Concord—a new service installed this year.

Book exhibits and the summer reading contest were held to stimulate interest in reading and many children came to receive gifts of nature books and children's magazines which had been donated for this purpose.

The committee wishes to express again its appreciation for the outstanding service of our librarian, Mrs. Carleton Frank.

Respectfully submitted.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our State is now 86% wooded and its economy—both industrial and recreational—is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area—4,350,000 acres—is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

PROGRAM OF THE

WHITE MOUNTAINS REGION ASSOCIATION

1964

The White Mountains Region Association this year has published and distributed 136,000 promotional folders and cooperated with the five other Region Associations in publishing 400,000 copies of the New Hampshire Accommodations Booklet.

We received a total of 7,500 individual inquiries about the Region which were answered with a package of folders and with personal letters. Because we are closely associated with the State of New Hampshire promotional effort, we receive in our office inquiries which are generated by the State. The Region Association's address is listed on one and one-half million individual pieces of literature published by the State.

In addition to maintaining an active and effective mailing office, the Association has encouraged and promoted many important developmental projects for the region. Such projects include Northern Ventures, a venture capital corporation to assist people who have ideas for industry: Temple Monorail System at Twin Mountain; the Kilkenny project in Lancaster; Mt. Agassiz Development in Bethlehem and Big Bear Ski area at Bartlett.

Through our Industrial Council we have changed the emphasis of industrial development of the State of New Hampshire so that it includes the northern three counties and also encourage a "do it yourself" attitude with industrial development groups.

Last year we assisted in promoting an appropriation of $65,000 for the construction of the Whitefield Regional Airport and went on record opposing the Livermore Falls Dam in the Pemigewasset Valley.

Presently we are planning to establish an active Historical Sites Committee who will encourage the development of major historical sites in the region, an asset which we have which has not been developed to its full potential.

The work of the Association is continually hampered by lack of adequate funds. In order to do the work necessary to raise our economy, the full support of all towns in the region is needed.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Shelburne qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said Shelburne on the 13th day of March, 1965 at 8:00 o'clock in the evening to act upon the following subjects:

1. To choose a moderator for the ensuing year.

2. To choose a clerk for the ensuing year.

3. To choose a member of the school board for the ensuing three years.

4. To choose a treasurer for the ensuing year.

5. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the District.

6. To hear the report of agents, auditors, committees, or officers, heretofore chosen, and pass any vote relating thereto.

7. To choose agents, auditors, committees in relation to any subject embraced in this warrant.

8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

9. To see if the District will immediately place the balance of the Building Fund into the Bus Capital Reserve Fund.

10. To see if the District will authorize the School Board to withdraw monies and accumulated interest in the hands of the Trustees to Trust Funds, said money to be applied against the purchase of the bus.

11. To see if the District will create a cooperative school district planning committee and to elect the members thereof or determine that they shall be appointed by the moderator.

12. To see if the District will raise and appropriate the sum of $100.00 to meet the expenses of the Cooperative School District planning committee.

13. To transact any other business that may legally come before this meeting.

Given under our hands at said Shelburne this 15th day of February 1965.

SCHOOL WARRANT

Four articles in the Warrant deserve special mention.

Article 9 provides that the Building Fund Account be transferred to the Bus Capital Reserve Fund.

Article 10 provides for voters approval to apply the Bus Capital Reserve Fund to the purchase of the new bus. This would probably be done in August, 1965.

Article 11 creates a planning committee to serve with the planning committees of Randolph and Gorham. The results of the study will probably be submitted not later than the next annual meeting.

Article 12 provides $100.00 to meet expenses of the cooperative study committee. Randolph is requested to provide $100.00 and Gorham $1,000.00.

*—The starred items are required by law to be raised as determined by the proper authorities. This District determines the salaries of the District officers. The Supervisory Union Board decides the Local share of the Superintendent's salary and other Union expenses. The share paid by the several Districts toward the Superintendent's salary for 1964-65 is as follows: Dummer, $220.88; Gorham, $6,180.62; Milan, $771.12; Randolph, $294.50; Shelburne, $282.88. The Teachers' Retirement and the State Employees' Retirement Association assesses the amount for the Superintendent's retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law.
